PROFILE

Computer Engineering student with prior experience teaching higher secondary mathematics. Skilled at explaining concepts clearly and helping students develop strong problem-solving skills. Patient and well-organized, with a supportive teaching style focused on exam preparation and concept clarity. Possesses a solid foundation in engineering mathematics and logical thinking, along with basic programming knowledge. Seeking part-time tuition opportunities alongside academic studies.

EXPERTISE

- Mathematics Tutoring
- Exam oriented
- Problem Solving
- Concept Clarity
- Engineering Mathematics
- Programming Logic
- Logical Thinking
- Analytical Skills

LANGUAGES

- English – Fluent
- Nepali – Native

EXPERIENCES

Higher Secondary Tuition Teacher | Jan 2022- Present
Private Tuition

- Taught higher secondary students(Mathematics),
- Explained concepts in a simple and clear manner,
- Helped students prepare for exams and improve results,
- Planned lessons based on syllabus and student level.

EDUCATION

Bachelor of Computer Engineering | 2019 – Present
Purbanchal University /Khwopa Engineering College

- Studying core computer and engineering subjects
- Building strong problem-solving and technical skills

Higher Secondary Education | 2016 – 2018

Tribhuvan University /Sagarmatha Multiple College

- Completed higher secondary studies with focus on science and mathematics with CGPA **3.51**

Secondary Education| 2016

School Leaving Certificate(SLC)| MJC Academy

- Completed secondary studies with CGPA **3.50**

SKILLS

- Teaching and mentoring
- Clear communication
- Friendly and approachable
- Patience and time management
- Programming knowledge
- Computer skills (MS Word, PowerPoint)
